New Thermometer for Updating Our Site Plan

Two Sundays ago, Pastor announced the next step for our new building is to update the site plan estimated at a cost of \$5000. \$1140 was contributed to this project that Sunday. During the week, a neighbor of Pastors called to announce they would be donating \$1000 toward our building fund. Last Sunday the rest was promised. Be sure to praise God often for His help and this answer to prayer. Continue to pray and to give support to our own building.
